Customer Reviews

The Common English Bible is a translation completed in 2011. One hundred and twenty biblical scholars from twenty-two faith traditions worked as translators. These women and men balanced rigorous accuracy in translation of the ancient texts with an equally passionate commitment to clarity of expression in contemporary English. The result is a clear, direct, and powerful English version of the scriptures for use in Bible study, devotional reading, and worship.

Awesome companion to the CEB. Seems accurate so far!

So far it has provided information on these words I have been searching for. Nice size, print is clear.

sure helps with bible study

ok

Great Complement to the CEB

Not a technical dictionary at all, but certainly helpful for remembering/reminding who's who and what's what. Smaller than the CEB's I own, it is very portable and I find it very useful. Size of text is easy to read and I haven't not found something that I was looking for in this dictionary

useful

I have Bible Dictionaries that are 20 plus years old that are better than this one. The publishing house should be ashamed of this. Why would they chose to have it printed in China? Did all American publishers reject it????
