# SAT Subject Test Math Level 2 Final Review

## Synopsis

“SAT Subject Test Math Level 2 Final Review” is designed to effectively review the entire contents of the exam at the final stage of exam preparation. The first part reviews major concepts and formulas by topic. The various types of review questions are made to help students build the ability required to achieve high scores on the exam. Four model tests are included in this book for self-evaluation. These tests featuring up-to-date and realistic questions by all topics of the exam provide a reliable study solution for students aiming for the perfect score on the real test. Before this book’s publication, all my students preparing with the practice tests in the book got the score of 800 on their actual SAT Subject Test Math Level 2.
