Customer Reviews

Effective Bible study begins with a clear understanding of the Bible as an inspired whole instead of sixty-six disjointed books. Exploring the Scriptures gives the serious student a panoramic view of God's Word that provides a firm foundation for more detailed study of books, passages, and themes of the Bible. Each book of Scripture is presented through a brief introduction, a concise outline, and a comprehensive summary of the book's content. Included also are special chapters dealing with the major divisions of Scripture and thirty-five maps and charts to help with visualization of important Bible content. "This series has features that will make it a favorite of Bible students: detailed alliterative outline; notes about the authorship; straightforward interpretation of the text; practical application." —•Bookstore Journal "John Phillips writes with enthusiasm and clarity, . . . cutting through the confusion and heretical dangers associated with Bible interpretation." —•Moody Magazine "Well-outlined and illustrated. . . . Will hold the interest of lay readers and will provide Sunday School teachers and preachers much material." —•John Kohlenberger III "In the style that has commended him to numbers of Bible-loving people, [Dr.] Phillips deals with . . . biblical exposition in a Christ-honoring, easily-read style." —•The Baptist Bulletin John Phillips

received his Doctor of Ministry degree from Luther Rice Seminary. He served as assistant director of the Moody Correspondence School as well as director of the Emmaus Correspondence School, one of the world's largest Bible correspondence ministries. He also taught in the Moody Evening School and on the institute's radio network. Now retired, Dr. Phillips remains active in his writing and preaching. He and his wife, Betty, live in Bowling Green, Kentucky.

John Phillips (1927-2010) served as assistant director of the Moody Correspondence School as well as director of the Emmaus Correspondence School, one of the world's largest Bible correspondence ministries. He also taught in the Moody Evening School and on the Moody Broadcasting radio network.

Thanks!

The writings of John Phillips are very easy to read, and extremely informative. He gives you a easier understanding of the bible and helps explain it to you in way that don't short change the reader. It's honest hard hitting biblical knowledge that is a great companion to any Bible believing reader. A must have in your library!

Quick overview of each book of the Bible

Exactly what I was looking for but then I knew the book as my parents have it so I already had read some of it.

Exactly as advertised.

I love that it gives me just a little bit more information about what I am reading:)

Just super from the Moody professor

Book was in fine shape. Had some personal notes written in the book which are no problem for me
