Lots of great recipes in this book.

This a poor cookbook. Very few recipes, badly organized, no index. I will return it

Love my Instant Pot and this is a really helpful cookbook! Thank you!

Very good the best in pressure cookers

This book was helpful in learning how to use the Instant Pot. I appreciated that the instructions were simple and the recipes were basic, understandable and easily followed. Great for family dining. Every recipe I have tried has turned out delicious! I love it.
