Life Of Union With Mary

Synopsis

Rooted in the Magisterium of the Church and the wisdom of the saints, this book presents a simple philosophy of life built around the relations of Mary to God and to man. Fr. Neubert gives both the dogmatic basis for union with Mary and methods of achieving it. He considers every spiritual exercise and gives examples from many religious and laymen—œincluding saints—œwho have achieved union with Mary. Life of Union with Mary is unique among Marian books, and was considered by Fr. Neubert to be his most important work. It will find a place on the bookshelf of everyone who desires a simple way to spiritual progress.

Customer Reviews

This is the best, most thorough, comprehensible and readable book on Marian spirituality I have ever read. It is thoroughly orthodox -- catholic. It opens up and explains elements of our relationship with God in Jesus Christ through Mary in the clearest possible way. The information in this book is easily applied to real life. This book is indispensable for anyone interested in knowing more about

Our Lady and especially for those seeking to live out their consecration to Jesus through Mary.

All the writing from Fr. Emile are very worth reading. This book will draw you xCloser to the ImmaculTe and ther y closer to her Divine Son.

This is one of the best books I have read to strengthen our filial union with Mary. I loved it!

If you are serious about transformation in Christ then read this book. So many treasures to unfold. The writing style is a little dated but the messages are timeless and so essential especially now when we need the help of our Mother more than ever.
