Japanese Designs (Dover Design Coloring Books)

Synopsis

The timeless beauty of Japanese art is on display in this ready-to-color collection of drawings. Yuko Green has created 30 full-page black-and-white designs depicting traditional motifs in the best Japanese artistic tradition. Here are birds, elaborately decorated fans, lush blossoms, sinister dragons, creatures of the sea and air, and more – all rendered in enchanting stylized images. A versatile source of inspiration and royalty-free art for designers, artists, and crafters, this volume will also delight colorists of all ages.

ISBN-10: 0486423778

ISBN-13: 978-0486423777

Product Dimensions: 0.2 x 8 x 10.5 inches

Shipping Weight: 2.4 ounces (View shipping rates and policies)

Average Customer Review: 4.4 out of 5 stars 116 customer reviews

Best Sellers Rank: #110,837 in Books (See Top 100 in Books) #14 in Books > Children's Books > Education & Reference > History > Africa #17 in Books > Children's Books > Education & Reference > History > Asia #41 in Books > Children's Books > Arts, Music & Photography > Art > History

Age Range: 11 - 14 years

Grade Level: Preschool - 8

Customer Reviews

not a lot of pages, but it does have some nice pictures. If the average adult coloring books with the tiny spaces to color makes your eyes go cross (like it does mine after a bit) this is perfect. There isn't a lot of the tiny spaces that need to be filled in. If it had more pages, I would have given it more stars.

My favorite book! Gorgeous designs! I've attached a few images. The only negative is that is printed on both sides and rubs off onto the other page. You have to use a page separator that's thicker. I ended up tearing the back cover off and using it. (I use colored pencils.)

The pictures were back to back. I use markers to color with, and I have to choose which picture on one page (both sides) I want to color, because the prints are on both side. Beautiful designs, but extremely disappointing.

Just enough detail to be fun and they're so pretty to look back at. I wish there was a volume #2 :)

Paper is way too thin, images were mediocre. Really not a lot to say about it

Beautiful designs and pictures just not many pages of them, sadly.

I have admitted before and will again: I'm an adult, but I still love to color, possibly because I can't even draw a straight line with a ruler! I do like adult coloring books, though, and not ones aimed at children. This has beautiful and often intricate Japanese designs, most of them historic, and also provides an idea of the colors that would have been used with the originals (I like that, as I'd like them to look like they would have looked, although of course I could use any colors I wanted). This is not just enjoyable, it's also a lesson in historic fashion, and I enjoy learning that too.

The Japanese designs taken from various sources over several centuries are lovely. They will be a pleasure to color!!!
