StreetSmart NYC Midtown Manhattan Map By VanDam -- Laminated Pocket Sized City Street Map With All Attractions, Museums, Broadway Theaters, Hotels And Subway Map, 2017 Edition.

Synopsis

VanDam's award-winning NYC StreetSmart Midtown Edition maps all top attractions including museums, major architecture, hotels, theatres, shopping destinations, and the subway system for all of Manhattan - all at an immensely legible super-scale of 1:32,000, complete with 3-D building illustrations. Clear information design allows users to read the map from three feet away and has earned VanDam maps a place in the MoMA Collection. The NYC StreetSmart Midtown Edition includes a stunning dimensional detail of Midtown Manhattan with Times Square at 1:17,000 scale at its center to make you feel you are there. Also includes transit information and an address finder covering all of New York City. The other Boros, collectively known as The City of New York, including The Bronx, Brooklyn, and Queens, are available as separate maps. StreetSmart maps are updated several times a year and are more current than any other map available. Simplicity reigns supreme in information design to make complex cities clear and understandable. Our typography creates character and reveals the true bones of the vertical city. VanDam uses a letter grid to identify locations on maps - no confusing and cluttering K-28 or V-34s - its just the city from A-Z. Our covers map the icons of each city and turn them into collectible graphic art. Each sleek and laminated city map package opens to 24" x 9" and then easily folds down to 4" x 9" to snugly fit into a shirt pocket or purse. Gain instant NYC StreetSmarts and a sexy souvenir to boot!

Stephan Van Dam, AIGA is an award-winning cartographer, graphic designer, and information architect. He is the president, principal and creative director of New York-based VanDam Publishing. Twenty-seven of his maps are in the MoMA Collection. The universal power of maps has been his guiding passion for the past 25 years and fuels his desire to tell stories and construct new realities through maps in all media. He's has mapped over 85 world cities, and holds several patents in the field of paper engineering and origami map folding. His work has been honored by the Industrial Design Society of America (IDSA), the American Institute of Graphic Arts (AIGA), the editors of ID magazine and has been featured on national television and been sighted in numerous feature films.

This is a very nice, discrete map for those traveling to one of the United States' best cities. As well laminated it is, I expect it will be very durable.

Great Manhattan Map! Laminated and easy to read, I have bad eyes and I don't have a problem with it, can't wait to use it.

Perfect for tucking in your purse.

Great sturdy map

My granddaughter loved it!

Very helpful!

Great detailed map showing subways

I know I know - all of this stuff is on line and in aps. But sometimes you need a full map to see the Big Picture and this worked PERFECTLY on my recent trip to NYC. It really helped me navigate the city and also the subway system which is THE FASTEST and THE CHEAPEST way to get around

NYC.
