Lawless Prairie

Synopsis

Clint Conner took the horse only to stop a man from mistreating it, but a vengeful judge sentenced him to six years. Quietly serving his time, Clint suddenly finds himself free after he's swept up in a daring jailbreak. Now a fugitive, Clint Conner will need courage, cunning, and cold-blooded ruthlessness as he rides the lawless prairie. But before Clint can escape to the hills of Montana, he'll have to outgun Sioux Indians and malicious outlaws, and face a final showdown with a marshal determined to bring him back as a prisoner -- or a corpse.

Customer Reviews

Charles G. West lives in North Port, Florida, and was the proprietor of a commercial typesetting and printing business. He now devotes his full time to writing historical fiction. Son of the Hawk is his ninth novel. --This text refers to the Mass Market Paperback edition.

Lawless Prairie is an excellent read, but I never figured why he named the book as he did. He could have named it Prairie and Mountain. A young man named Clint Conners, and an outlaw named Clell Ballanger, and a Deputy U. S Marshall named Clayton, make up the Characters of the story, which begins in a prison. Clint only has three years to go on the six yr. sentence for rescuing a horse from the cruelty of its owner, who happens to be the Judge who sentenced Clint. The story changes often, keeping the reader off balance. There is hope for Clint, then the story twists again. The Author has complete control of the story line, down to the last page.

This man has the best record for his writing as always his books are I don't want to lay down till I'm done He writes and you feel as if you are there . Keep it up Mr West you write and I will read. Can wait for your next book

Another good Charles G. West book. Love his way of bringing you right into the story with interesting characters. A true western writer. Easy read, fast paced you'll like it.

I like any western written by Charles G. West. I think I've read them all, because whenever I click on one it tells me I already bought the book. How westerns are great.

As always, a very good book from Mr. West. The ending alone, one of his best, is worth the read.

This was a very good book, I was very happy that I had bought it, it seems like all of the books that I have bought by this Author have been very good, for me who reads a lot of Westerns, this is a hard thing to say, because you always run into a boring book.

Great western writing, loved this book.

wish there were more books like this one, enjoyed it a lot.
