## Customer Reviews

“Falcon Guides point the compass to the best spots to play, climb, hike, fish, and be.”  
— CNN.com

Best Rail Trails Wisconsin is the complete guide to walking, jogging, biking, and cross-country skiing more than fifty of the best rail trails in the state that pioneered America's rail trail phenomenon. Written by a local author with expert knowledge of the region, this easy-to-use book provides mile-by-mile descriptions of the most popular rural and urban rail trails in the Badger State, from the Osaugie Trail and the Elroy-Sparta State Trail to the Madison area's wealth of options and Milwaukee's surprisingly secluded Oakleaf Trail. Look inside to find:

- Full trail profiles, including length, access points, difficulty rating, and surface type
- Detailed trail maps
- At-a-glance icons for easy identification of rail trails that best suit one's interests
- Information on wheelchair accessibility, parking, restrooms, where to rent bikes,

and places to eat along the trail. – Location of ranger stations, visitor centers, and depot museums – Sidebars on local history and lore

I used this book a lot. I really enjoyed exploring all of these trails.

We lost our "Biking Wisconsin's Rail-Trails" and needed a replacement. This book is good but the maps would be better if mileage segments were posted.

Excellent

Great way to relax!

Can't review this yet. I'll need to wait 'til summertime to check these trails out. Since so much is either incorrect or missing in the IL version, I don't want to pre-judge the WI edition.

We got the book in anticipation of riding in Wisconsin this summer, so really haven't used the book as yet. That said this book gives a lot of information and we feel confident it was well worth the purchase.

This book will offer enough information to get you on the trail you always were curious about. Easy to follow and just right to start your riding getaways.

This book provides just enough extra detail and flavor to be a most helpful overview of cycling opps.
