Customer Reviews

This book comprises 6 books that discusses the NLP (Neuro-linguistic Programming). It's a clear guide that helps every reader broaden his/her knowledge about NLP. My favorite part is the Stop Dieting part. I've always been obsessed with my weight. You know, when I think that I'm fat but people around me say I'm not. The last part of this book made me realize that I shouldn't worry too much, that I should develop positive thought about it.

It is such a very nice book. This is a great strong book which can change a man life and overcoming the things that are holding you down like your sentiments of fear, distress, negative conduct designs, false feelings. This guide also demonstrates to you best practices to use NLP on yourself to continue forward to productive and fulfilling life. I read this book and now endeavor to use NLP and developing myself. Much obliged to you! Must read

When things in life are going to seem like they are never going to look up you need to believe that there is light at the end of this dark tunnel. NLP can be a useful tool in helping you to keep your eyes on that light at the end, and keep working towards it so that you can overcome your depression. This book contains excellent advice on NLP that anyone can be of great help. This is a book that everyone should read!
