Customer Reviews

What a rip-off! A small, thin book of less that 30 puzzles. The "360" in the title leads you to believe there are 360 puzzles in this book. Misleading advertising! Don't wast your money on this.

What a rip off! the title says 360 word search. Silly me, I thought that that meant that the book was 360 puzzles. NO WAY. this little dinky book has only 24 puzzles in it!! Don't waste your money!

What a joke. There are only 24 puzzles in the book. What a waste of money!

This is definitely not a large print book.

Don't buy this book. Not worth it

Terrible! The puzzles are so small when it was clearly advertised as large print.

I tried to give zero stars but it allow me. Definitely not large print!!!! Or even normal print. Description

is a blatant lie.

Horrible! Horrible! Horrible! Could have gotten 2 stars if a magnifying glass was included. True definition of microscopic print.
