Fantasy Football 101: Learn The Basics And Get In The Game

Synopsis

Have you heard about fantasy football but don't know what it really is? Do you want to start playing fantasy football but don't know where to begin? You are not alone. There are thousands of people just like you. Every year the football season comes and goes and every year you tell yourself that you should have played fantasy football. Every year there seems to be an excuse as to why you didn't. Some people are intimidated because they don't know where to begin. Others feel like they know real football but don't know how fantasy football works. Don't let excuses or fear of the unknown hold you back. This book provides foundational knowledge for you to get started engaging in one of the fastest growing industries in the world. You will be walked through all of the major components of a successful fantasy league and learn the concepts and terminology that will quickly get you in the game. This book is intended for beginners and presents the key information at a high level, limiting confusion and frustration typically found when digging too far into details only found in expert leagues. You just want to know the basics so you can get started. With the knowledge you gain from this book you'll easily be able to find and join a league of your own.
