Customer Reviews

The more than 600 stories written by O. Henry provided an embarrassment of riches for the compilers of this volume. The final selection of the thirty-eight stories in this collection offers for the reader's delight those tales honored almost unanimously by anthologists and those that represent, in variety and balance, the best work of America's favorite storyteller. They are tales in his most mellow, humorous, and ironic moods. They give the full range and flavor of the man born William Sydney Porter but known throughout the world as O. Henry, one of the great masters of the short story.

"Such tales as 'A Municipal Report,' 'An Unfinished Story,' 'A Blackjack Bargainer,' 'A Lickpenny Lover,' 'The Gift of the Magi,' 'Mammon and the Archer,' and 'Two Thanksgiving Day Gentlemen' (by actual count the O. Henry stories most often reprinted in anthologies) are gems of their kind; mellow, humorous, ironic, ingenious and shot through with that eminently salable quality known as 'human interest.'" --Bennet Cerf and Van Cartmell

What a great product! I gave it to my husband as a gift, and he mentions it to so many of his friends and family. Good and intoxicating reading!!

Beautiful use of language and as always a clever twist at the end of each story. I read many of these when I was young, but I enjoyed them just as much the second time around.

A great compendium of Henry's short stories. A wonderful read.

A collection of O. Henry Short stories is a must have for every household.

I would recommend this book to anyone that has a good imagination and a good sense of humor. These short stories are entertaining and very funny. One short story "The Ransom of Red Chief" is a real classic. There is a companion short created for television starring Struther Martin and Jack Elam. It is fun to have your children, grandchildren, or nephews read this short story then watch this classic short together.

User book look like new, love it.

Difficult language for most readers. Good twist at the end of his stories.
