Star Wars Instrumental Solos (Movies I-VI): Flute, Book & CD (Pop Instrumental Solo Series)

Synopsis

For the first time, Star Wars(R) A Musical Journey (Music from Episodes I-VI): Instrumental Solos includes selections from all six Star Wars(R) movies arranged for flute, clarinet, alto sax, tenor sax, trumpet, horn in F, trombone, piano accompaniment, violin, viola and cello. The arrangements are completely compatible with each other and can be played together or as solos. Due to level considerations regarding keys and instrument ranges, the wind instrument arrangements are not compatible with the string instrument arrangements in this series. Each book contains a carefully edited part that is appropriate for the Level 2--3 player and a fully orchestrated accompaniment CD. Each song on the CD includes a demo track, which features a live instrumental performance, followed by the play-along track itself. Also included is 4-color art as well as black and white art from the movies. Titles: Star Wars (Main Theme) * Jar Jar's Introduction * Augie's Great Municipal Band * Qui-Gon's Funeral * Duel of the Fates * Anakin's Theme * The Flag Parade * Across the Stars * The Arena * The Meadow Picnic * Battle of the Heroes * Cantina Band * The Throne Room * The Imperial March * May the Force Be with You * Princess Leia's Theme. This title is available in SmartMusic.

The songs all sound amazing, and there is a nice note guide in the back in case you don't know what a certain note is. The one's I have played sounded right. I have played flute for almost three years, and this book was easy. The songs vary in their difficultness, but I would recommend having

some experience playing before buying this. Honestly, I only play a few of the songs, the other ones seem rather dull. Here are the pieces in the book:1. Star Wars (Main Theme)2. Jar Jar's Introduction3. Augie's Great Municipal Band4. Qui-Gon's Funeral5. Duel of the Fates6. Anakin's Theme7. The Flag Parade8. Across the Stars9. The Arena10. The Meadow Picnic11. Battle of the Heroes12. Cantina Band13. The Throne Room14. The Imperial March15. May the Force be With You

This is difficult pieces for beginners but lots of fun for moderately skilled to advanced flautists. We ended up using 2 keyboards to play some of the pieces such as The Empire Strikes Back, etc. the flute was lovely on the slower numbers and also Cantina Band. Too fun!!!

My daughter is going into 7th grade and I needed some music for her to play over the summer. She loves this one, being an avid Star Wars fan. She has to grow into some of the songs, but it's helping her improve. The cd helps her a lot too.

I'm so glad I bought this for my son, who needs extra inspiration to keep practicing his flute. Playing Star Wars music helped him get over a slump in his flute playing. Though he plays less of it, I still occasionally hear the strains of the Imperial March, the Cantina song, or the Luke Skywalker theme.

Purchased this for my daughter who is learning to play flute. Thought it would be good to get her something that she already likes. Fit the bill, she likes it and is practicing more.

It was the perfect gift for my son. He is enjoying a lot...

My daughter loves the movies. It was a great way for her to play her flute more.

Book was exactly as described. It was given as a gift and well liked.
