Customer Reviews

You could hardly ask for more, except to have Gibson along the next time you set out on the trail. --
Michael Burke, Down East magazine

John Gibson has hiked in Maine, New England, and Europe for more than twenty-five years. He has written on outdoor subjects for Down East, Appalachia, Canoe, and other publications. He is also the author of Walking the Maine Coast and Go Light. He lives in Camden, Maine.

This book was all we needed to plan and carry out terrific day hikes, well informed, on Monhegan Island and in Acadia National Park. Good list of key features at the beginning, too.
