Mosby's PDQ For LPN, 4e

Synopsis

Find essential nursing information at a glance! Mosby's PDQ for LPN: Practical, Detailed, Quick, 4th Edition is an easy-to-use, pocket-sized guide to important facts, formulas, and procedures used in the clinical setting. It offers quick access to details you need but don't usually memorize, such as signs and symptoms, medications, conversions, abbreviations, and normal/abnormal ranges for lab tests. Durable pages and spiral binding can withstand the wear and tear of daily use on the job. When in doubt, check this handy reference! 10 tabbed, color-coded sections provide quick access to essential facts, formulas, lab values, procedures, and more. Compact size features durable, water-resistant pages and spiral binding, making the book easy to carry and use in any clinical setting. A focus on special populations includes separate sections on pediatric, maternity, and geriatric patients. HIPAA- and OSHA- compliant information reflects the latest practice standards and guidelines. NEW! Expanded coverage addresses oxygen delivery, hypoglycemic drugs, cardiac rhythms (STEMI), seizure treatment, breath sounds, and more. NEW assessment tools are included for pain, nutrition, and alcohol abuse. UPDATED! Content reflects the latest clinical developments, screening guidelines, and drug information.

Customer Reviews

This is so awesome!! Can easily fit into my pocket! Thank You!

For the price I paid, this was an excellent purchase. I am a nursing student and this quick reference guide will be very helpful. This book retails at Barnes and Noble for almost \$30.00...and I paid just under \$7.00. It's used, but in excellent condition!!! I'm very pleased!

I love it!!

not good for visual learners

A high quality small text book that will be a lifetime reference. Well designed with sturdy binding and heavy pages that can withstand lots of use. Color coded and Colour tabs make it easy to use. Definitely recommended for anyone in the health field of nursing and caregiving.

Very handy little book, I just keep it in my scrub pocket, lots of information

The most helpful guide I ever had!!! Compact, complete and well organized.

I use this book at work and it does come in handy. Sometimes with so many things going on at work I can barely recall anything so this book is definitely a go to resource for me. Waterproof and sturdy to.
