Charleston South Carolina Walking Tour & Guidebook

Synopsis

Walk the historic streets of Charleston and follow in the footsteps of revolutionaries, patriots, pirates, planters, Southern belles, slaves and, finally freedmen. Explore the city and learn the history, legends, lore, city secrets and facts about one of the oldest, most well-preserved and beautiful cities in America! The tour can also be biked or driven. Why take a guided tour that costs over \$20 per person when you can walk at your own pace, see the same landmarks, hear the same history and stories at a fraction of the cost? The tour is 28 pages with 100 of the most famous landmarks that includes modern color and vintage photos. The total route is 3.6 miles that can take anywhere from 2-4 hours....it all depends on your speed and pace. A center-fold easy to read route map is included with numbered points of interest to keep you on track. Points of Interest Include: The Battery and its mansions The Charleston Harbor Rainbow Row House Museums & Art Galleries Famous churches (St. Michaels, St. Phillips and more) Graveyards where signers of the Declaration of Independence are laid to rest Catfish Row, made famous in the opera Porgy Old Exchange & Provost Dungeon Known haunted buildings, sites, and who is doing the haunting Meander down hidden alleyways and cobblestone streets White Point Gardens King Street and the Shopping District The Market, restaurants and shops Old Powder Magazine Waterfront Park and its fountains City Secrets & Legends Brothels and places of ill repute Dock Street Theatre and many more! Written by Author Alan Hartley, a tour guide licensed by the city, who has been in the Charleston touring business for over twenty years.

Customer Reviews

We enjoyed the walk in Charleston a lot. This was very useful for a first aproach to the places and historic sites in the city.

This book was OK. Had trouble getting the map, but it might be my computer (or me). Was pretty much what I expected in a guide book.

I found this product lacking in much more that just the walking tour. Plus, not sure I'm comfortable with this digital product. Could be I'm too old school. I like flipping through pages still...

Book didn't make it as guide book in my mind. I did learn some history of the city before my visit and Charleston is all about history. Lacks color pix except cover. I can't recommend.

Just a list of places to see. Not typeset well - more like an old style website page in PDF format.

Charleston, SC is so fascinating and of historical significance that any time spent there is worthwhile. This guide helps you get around and not miss the many sites to be appreciated,.

We booked a last minute weekend in Charleston, heard about the history, and quickly found this book available for free on the Kindle (with Prime membership). We followed the tour as described and found it very enjoyable & informative. It took about 2-3 hours to do the entire walk assuming you stop along the way to explore parks, courtyards and church cemeteries. It pointed out specific buildings along the way along with descriptions of the history associated with them. We would often find ourselves at spots where tours were being conducted from horse-drawn carriages where they'd be saying the same thing I was reading in the book. The main improvement I would suggest is to add tiny maps in each section so you can figure out where you're going. I was holding a printout of the walking tour map in one hand, my Kindle in the other, and an umbrella as it was raining.
