Strapped By The Girl Gang: On The Water

Synopsis

Landlocked for years, Mary misses the wide-open ocean of her home state, Hawaii. So when given the opportunity to return for a college trip, Mary jumps at the chance. It's not long before Mary realizes that the ocean isn't the only thing she missed, and when she stumbles upon a sea bound bachelorette party of her old friends, forbidden flames reignite. Seized by uncontrollable arousal, Mary soon goes from stow away to the center of attention in a lesbian strap-on gangbang on the water! This story is 4,000 words of inmate girl on girl sexuality and contains explicit language.
