'T-Lloyd: In the Trenches tells a story with good lessons for boys. If we can encourage reading by offering books on topics of interest like football then we're probably doing something right.' --
--WARRICK DUNN, NFL star, 3-time Pro Bowl running back

Ron Berman is a former college athlete, wall street trader, and author of 12 young adult books. In addition to writing about sports, he has drawn praise for his nonfiction career books, which feature remarkable young people who emphasize education as the key to a successful future. As a freelance sports writer, Stephen McFadden has contributed to such news publications as the Daily Facts (Redlands, CA), the Daily News (Los Angeles, CA), the Daily Breeze (Torrance, CA), and the Culver City News (Culver City, CA). Steve has experience covering basketball, baseball, football, softball, tennis, water polo and soccer, although his true passion is writing about football.

Great book for young football fans. Got it for my 10-year-old son who hates reading but loves football. I picked this one for him because the story is about a nose tackle. All the football books I

can remember reading in my childhood were about quarterbacks or running backs. My son plays guard and defensive tackle, so it was fun for him to read about a nose tackle. He just zoomed through it. Would recommend to other parents who want their kids to get into reading.
