Vocabulario TemÃ¡tico The backbone of the vocabulary presentation consists of model questions and answers on everyday topics. You will easily memorize and adapt key phrases for immediate communication. Ponerlo A Prueba Practice activities follow each vocabulary and grammar presentation. GramÃ¡tica You work with the grammar before practicing it more formally in the GramÃ¡tica sections. Each grammar explanation is preceded by a model conversational exchange. En La Hacienda Vista Alegre A reality-based storyline video follows the adventures of five strangers who come together to live and learn in a Spanish-speaking culture. It highlights the chapter themes and grammatical structures, while showcasing the characters in a variety of real-life situations or conflicts that need to be resolved.

Patti J. Marinelli has had a distinguished career teaching Spanish at the University of South Carolina. The recipient of many university awards, she also was named Teacher of the Year by the South Carolina Foreign Language Teachers' Association in 2008. She has extensive experience coordinating the introductory Spanish program and mentoring graduate teaching assistants at the university. Marinelli has authored two other Spanish textbooks, including the best-selling high beginner textbook *Puentes*. Both her teaching and writing are informed by her experiences as a certified ACTFL OPI tester and her expertise in standards-based instruction. Lizette Mujica Laughlin, a native of Cuba, is a graduate of the University of South Carolina, where she has been on the faculty for more than 20 years. She is an ACTFL-certified oral and writing proficiency tester/trainer in Spanish/English. Her proficiency training has played a pivotal role in her professional development, for example, as upper-level course coordinator at the University of South Carolina, author, and tester/trainer for ACTFL.

This iLrn program is brilliant for learning a language, it is one of the best on the market when it comes to the aid in learning a language. Colleges use this program very much so it is a very good for learning in college. Try this program to get way better than you have ever thought about the language learning.

excellent. 100% satisfied 10/10 would recommend.

I'm sorry, I cannot figure out how to contact you but I have a question. Is this book for Spanish 122? I took 121 last semester so I'm trying to make sure it's the correct book. The book I need on the USC bookstore ISBN is 9781305420762 and this one is just slightly different but all the information looks the same.
