Hello, I was really looking for all of Ocean County, not just Southern Ocean County. My mistake. I was also hoping for find it in book form, which is much easier to read than the full map, but you did not seem to have it in book form. Anyway, this will do. Thanks,

Compact nice map. With GPS its getting harder and harder to find easy maps to take you from one place to another. Hagstrom does a great job with all their maps.

Some people like using a GPS but I like a map. What can say, that's about it!

I am looking for the book of street maps that Hagstrom made previously ... this one page map of streets is not what I wanted... thank you
