Fearless: A Sports Romance

Synopsis

Zariah Washington When my best friend is beaten to within an inch of her life, I step into Vadim's Gym, where her boyfriend exercises, and go off. Though, I'll one day become a district attorney, there's nothing graceful about how I seek justice, which is all a big mistake. One: I'm at the wrong damn gym. Two: I've cussed and disrespected every male in the place. Oh, and the Russian fighter I encounter, whose jacked with muscles and packing heat, won't let me go! He promises to extract vengeance. His loyalty comes at a price. Not to mention, my father is the Chief of Police. Vassili Karo Resnov Zariah and I had a misunderstanding when she walked into Vadim's Gym. The beautiful, black vixen came into my life and cussed everyone out before I could say a word. I introduced myself, the anger and desire she felt gave way to fear... But we'll fix that, because now she's mine.

Customer Reviews

Loved this story about Vassili and Zariah. They met unintentionally, but were attracted to each

other instantly. After not seeing or contacting each other for four years, the attraction was still there. Her hesitation at being in a relationship with him because her father is the Chief of Police and him being related to a Russian crime family, not to mention her being a recent law grad, kept her from committing to a relationship with him. However, their passion wins out. Love the mixed martial arts storyline that keeps Vassily out of the mob business and to protect Zariah at all costs. This book has no cliffhanger but is introducing you to Vassily's step sister, who he wants nothing to do with has befriended Zariah. This will be the next story. I am looking forward to the next one!

I enjoyed reading this book. Vassili was alpha, cocky, and terrorital as hell and that normally bothers me but Zar was a strong female which balanced it out for me. Lots of sexy time (if you like that sort of thing) but I loved how he was an anchor for her while she was away at school etc. The only thing that stopped me from giving this five stars is sometimes the transitions in the story confused me. Perhaps it was my e-readers fault and if thats the case I'm sorry for bring it up.

Once I picked this book up I knew that I wouldn't be able to put it down until I finished it. I love the detail of the fight scenes. I could see them while reading. Amarie has written a novel that I know I will read several times. She writes full stories with well developed characters. I can't wait to read the next book containing some of the other characters.

Yaaasssss, Ms. Avant. A masterpiece of interracial writing. Vassili and Zariah were made for each other, and baby Natasha are a dream come true. MMA any a baby, who could ask for anything more. From beginning to end I loved it. A soulful, rap-loving alpha and fiery, soulful sister, with an hour-glass figure, put them together and you've got FIRE.

As an avid Amarie fan, I can tell you that the story of Zariah and Vasilli does not disappoint. He's a hothead Russian MMA champ/son of a Russian mob boss. She's the daughter of a not so nice police chief. Together, they are an extremely HOT couple! Since they are "happy for now," I'll patiently wait for closure.

I really started to like the story as it got to the marriage & her mother & brother accepting Vassili into the family. I guess I would be messed up if my father put two bullets into my mother & killed her & my sister was continually being sexually abused to the point she commits suicide.

I took issue with how easily the main characters became attracted to each other, but as the story developed things began to fall into place. Curious as to how Vassili's family especially his sister's relationship with wife is going to affect his relationship.

This was a interesting romance story. I loved Zariah and Vassili, they are well developed interesting characters. I enjoyed the interaction between these two opposite attract characters. The story was original and interesting and I enjoyed it.
