Frommer's The Carolinas & Georgia (Frommer's Complete Guides)

Synopsis

Frommer's The Carolinas and Georgia 8th Edition is an unbeatable guide to some of the South's most popular places to visit, stay, and play. Our guide ranges from popular parks (Great Smoky Mountain) to fabulous beaches (the Outer Banks) to historic cities (Charleston) and must-see major metropolises (Atlanta). Travelers get the scoop on festivals, sporting events (the 2007 US Women's Open Championship), and new attractions such as the NASCAR Hall of Fame and the Billy Graham Library, opening in June 2007. Our book also comes complete with an indispensable foldout map.

Customer Reviews

Experience a place the way the locals do. Enjoy the best it has to offer. The best outdoor adventures, from sailboarding and surf-fishing on Cape Hatteras National Seashore to hiking in the Blue Ridge Mountains. Outspoken opinions on what's worth your time and what's not. Exact prices, so you can plan the perfect trip whatever your budget. Off-the-beaten-path experiences and undiscovered gems, plus new takes on top attractions. Find great deals and book your trip at Frommers.com

A team of veteran travel writers, Darwin Porter and Danforth Prince have produced numerous titles for Frommer's, including best-selling guides to Italy, France, the Caribbean, England, and Germany. Porter is also a noted Hollywood biographer; his most recent releases (2005) are Howard

Hughes: Hell's Angels and Brando Unzipped (2006). He is a radio commentator and newspaper columnist on popular culture; his broadcasts are heard in all 50 states. Prince, formally of the New York Times Paris bureau, is the president of Blood Moon Productions and other media-related firms.

I have purchased a lot of travel guides and have done a lot of traveling in my life. However, this is one of the most disappointing, poorly written, travel guide I have ever used. First of all, the majority of the book is lodging and dining info, mainly expensive places with little info for the budget traveler. Most of this info could be found via the internet with greater accuracy, depth, variety, etc. That was about 2/3's of the book. For some some of the more important spots like Charleston, Charlotte, Atlanta, and Savannah there was little info about history, what to see and do, etc. And most of the info was old and inaccurate. I was able to get more info, using my iPhone. Take my advice, skip this piece of poop guide and use the internet. You will be much better off in the long run. Another piece of advice, skip Myrtle Beach, SC totally! It is nothing but a bunch of hotels, bad food places, cheap beach items and miniature golf courses.

Useless book but no big deal. It was so cheap. I will donate it to my local library. But the good news.. both North and South Carolina are beautiful states to visit. The Biltmore Estate in Asheville NC was fantastic. The azaleas were at their peak.

We ordered this item almost a month prior to our vacation departure date. It never arrived. What to do on vacation is useless if you are not on vacation!

Arrived in perfect condition; true to Frommer's form was just what I wanted.

Few photos, few maps. Few photos and maps. Don't has one summary of the most important items. Don't has the most important museums. I do not recommend.

Just a few pages were torn out at the end of the volume-not critical or so it seems to me

Nothing short of awesome! Frommer's always has great info. We usually like choosing the "hole in the walls" and "locals" type joints to experience for dining and even staying. Even the inside details, i.e. history, are interesting. We don't go anywhere without a Frommers!

The book was ok. It just didn't make clear the massive building of condos and other buildings in places where we thought the coast was clear. Maybe our misread. The outer banks were the pits.
