Customer Reviews

Dr. Beverly Browning (Dr. Bev) is a 40+ year grantwriting consultant and also the Director of her own nonprofit, the GrantWriting Training Foundation. She has assisted clients and event attendees in strengthening the capacity of their professional acumen and organizational capacity. As a high profile grants consultant, Dr. Bevis credited with more than \$430 million in contract and grant awards. She is the author of 43 publications and is in high demand for facilitating training programs and delivering keynotespeeches nationwide and internationally. Dr. Bev

is a 16-year member of the Grants Professional Association and has taught grant writing and consulting courses online for Ed2Go since 2001. In 2015, Dr. Bev trademarked Bethe Shining Light, a motivational keynote speech theme that evolved into a journaling workbook and workshops for individuals seeking personal and professional life-changes.

its okay, and certainly if you are at a loss for words you might need this. If you read other grant proposals though, you can pick out phrases to help you along without purchasing this book.

Bought this book on a whim when hearing about it at a conference and it has been a game changer for our organization and our grants. So few books have really great samples like this you can build off of. And it's laid out so well by every specific section of the grant that it makes it easy to find what you're looking for. Wish there were more great resources like this on the market for grant professionals.

I chose this rating because this book helps a person focus on "how" they word their information which, in everything I have learned about grant writing, is critical for your grant to be read.

This is a Great Book!!

Some nice advice on what to write into a each section of a grant. Fell a little short for me, but was still useful. Could have been more helpful if there were glossaries to go along with the advice and examples.

This book was purchased as a gift for a friend who is a professional fundraiser. The book is extremely useful to someone in that field.

Introductory book to grants if you have never written one. It gives you hints on words to use in the process of preparing a proposal.

Loaded with helpful phrases for grant proposals, formats, problem statements, and letters of support. I can hardly wait to get started on writing an upcoming grant!
