## Customer Reviews

Ã¢â€”Not only will student veterinary nurses find it excellent value in content and price, I expect that both qualified veterinary nurses and vets will view it as an invaluable addition to the practice library.Ã¢â€” (Veterinary Record, 16 June 2012) "This is the book that every nurse should have, be they a student nurse, a qualified nurse, an older qualified nurse and even some vets to bring them bang up to date with all the latest techniques and good standards of nursing care." (Veterinary Practice, 1 February 2012) Â

This is the new edition of the classic core textbook, updated to reflect changes in the RCVS

Veterinary Nursing syllabus. It covers the whole range of veterinary nursing in small animal practice, and core unit equine content, with all chapters revised or rewritten. New content: Anatomy and physiology presented in a single integrated chapter to allow easy comparison Stand-alone chapter on Nursing Models, with clinical application examples New chapter on Professional responsibilities, Regulation and Ethics Up-to-date content on MRSA and PETS regulations Appendix on Learning skills Specially commissioned new drawings Addresses EQUINE SPECIES as required by VN core units - including details on Anatomy, Handling, Stabling, Feeding, Bandaging, Radiography, Reproduction, and Anaesthesia

I use this book for my animal studies course, and it has covered any and all topics brought up - and more! Dogs, cats, horses, birds, reptiles and exotic species are all looked at and considered in this book. A big read, but well written and comprehensive. No nonsense with plenty of information. Thanks.

Very informative, covers so much. It is laid out nicely and easy to read. Revises basic animal care too.

good organization and very useful information. you will find everything in there. I was told that this is a bible for Vet Nursing students.

It explains all aspects of the Veterinarian Nurses role is simple yet thorough terms and keeps you excited if you are passionate about what you are studying

Love it!!
