I've been singing from this book for quite sometime now. i

My daughters take voice lessons and sing several titles from this book. My husband and I love to listen to them!

Wonderful arrangements and inspired choices. My duet partner and accompanist absolutely love the selections though because of its black face history I will not sing Camptown Races. However All Through the Night, Homeward Bound and He's Gone Away are absolute stunners!

This is an excellent songbook for young singers. It allows them to sing in two part harmony.

Good for advanced middle school or high school.

Just what my daughter needed.

The negative person who gave this one star is complaining about service relating to receipt of the item. They have never even seen it. I have the book and its wonderful. The pieces are just beautiful. I sang a couple with my daughter on various occasions and they are just wonderful. The piano accompaniment is very well done, not horribly difficult, but full sounding. The book was recommended to me by my vocal coach who has sung all over the world. I thought that a pretty good recommendation.
