Customer Reviews

"Known for its four-color maps, photos and illustrations, the [DK] Eyewitness Guides are extremely user-friendly for travelers who want their information delivered in a concise, visual way." — Chicago Tribune "The best option" — Color photos, maps, and diagrams bring the place to life." — The Philadelphia Inquirer

Lots of color pictures but pretty slim on content. I bought this because it was much more recent than the Lonely Planet guide to Myanmar, but this book just concentrates on the big tourist sites. No real usable information on getting around or stuff like that. Everything in this book and more could be found for free on the internet. Save your money!

Great book for travelers. Lots of photos and easy to follow text.

Visually wonderful and engaging. Using it in conjunction with Lonely Planet's Myanmar book worked out well.
