The Gathering Storm: Book 2 Of The Thrilling Post-Apocalyptic Survival Series: (Surviving The Fall Series - Book 2)

Synopsis

After narrowly surviving an escape from Los Angeles, Rick Waters heads east in an attempt to get home. When he reaches the outskirts of Las Vegas, though, he is faced with the sobering fact that the world is forever changed. Meanwhile, at home in Virginia, Dianne Waters and her three children work to prepare for the imminent arrival of winter while dealing with the fact that they may not be as alone as they think....Surviving the Fall is a thrilling post-apocalyptic episodic series that focuses on Rick and Dianne Waters and how they each deal with the apocalypse. Stranded across the country away from his family, Rick must travel from California to Virginia to reunite with his wife and children, all while struggling to comprehend and deal with the horrors along the way. At home with her three children when she experiences the beginning of the end in a dramatic and deadly fashion, Dianne Waters has experience as a prepper and survivalist, but not even years of training and preparation have readied her for the darkness that comes with the end of the world. Now she must draw upon those skills to protect her loved ones and fight back against those who come against her and her family. Surviving the Fall will feature 14 episodic (25k-30k words in length) books that are full of action, suspense and drama as Rick and Dianne struggle to survive the end of days. Episodes will be published every 2-3 weeks.

Customer Reviews

Wow! This second book in the Surviving the Fall series took some major turns for both our hero and heroine. The reader is treated to lots of action and suspense in the fast-paced book. I'm anxiously awaiting the next episode, so get busy, Mr. Kraus!

The story continues and Rick seems to be leveling off to a more realistic state of mind. His family in Virginia is dealing with the situation probably better than he is, but they aren't stranded 3000 miles from home. I hope Rick connects with someone who can survive long enough for them to help each other. So far he isn't having much luck with that.

I thoroughly enjoyed reading about Rick and Jane as they try desperately to get through Las Vegas on the way to a hoped for sanctuary at Nellis Air Base. They must make their way through shattered buildings, burning wildly, all t h e while trying to stay out of sight of roaming gangs. Another cantputdownable must read.

Fast paced action in this post-apocalyptic thriller, keeps you turning pages, and at the end of the books gets you ready for the next segment in the series. I really have enjoyed this series so far and will keep on reading episodes as they become available.

This second book of this series short but potent. As the main characters do what needs to be done to survive we get a chance to get to know them better and learn some very helpful ways that we can make our own live more sustainable, Thank you Mike!

Twelve more episodes at three weeks between each, therefore end of the series is around 36 weeks away. Bummer! But this was a great 2nd book!

The authors has a different out look now. As things change around his character's . There are so may bad things every were . This what it would be really like. Trying to survive is not easy .More people do need to read books like this to understand if they are in a dangerous Situation to be prepared.

Being the middle book of a trilogy much better than expected. Continues the story lines very well. The action and suspense stay strong too. Loved the characters in this series and read them straight through one after the other! Awesome edge of your seat, even while informative, reading! Looking forward to starting another Mike Kraus series soon!
