# His Virgin: A Bad Boy Billionaire Romance

## Synopsis

Everything has a price. Including her. I'm Caine Foster. You know my name. I own this city. I keep strict control of all my relationships. I always have the upper hand in business and pleasure. So when a sweet little thing defies me, it pisses me off. It makes me want to dominate her and bend her to my will. I want to turn that angry fire in her green eyes into sweet submission. I make her an offer. She spends thirty days with me, and I solve her money problems. No mess, no drama, no questions. Just my money for her innocence. But she's more than I bargained for. I have a new addiction, and her name is Daisy. My little flower. I'm never letting her go now, contracts be damned. His Virgin is a standalone, full-length novel of approximately 60,000 words. No cheating, no cliffhanger, and a guaranteed happily ever after. Includes bonus content!

## Customer Reviews

According to the brief bio at book's end Pacific Northwest author Nikki Chase is a contemporary romance author. After having her own real-life insta-love experience, Nikki now lives happily ever after with her husband in the Pacific Northwest writing suspenseful contemporary romance featuring hot, cocky, dominant bad boys who like to make their women beg

for it. *His Virgin* is Nikki's third romance novel.: she has written ten novels to date. And so we meet Caine Foster (I just happen to be good at this game called life, and I'll admit there were also quite a few lucky rolls of the dice. So there are benefits to being a Foster. You can hardly blame a man for taking advantage of all the privileges he's been given, especially at a time like this.) and Daisy (A young nurse behind the laminate counter fixes her green eyes on me like she's ready to chew me out. "Sir, I'll have to ask you to go back to the end of the road and the game and fireworks are on. But on to the story Everything has a price. Including her. I'm Caine Foster. You know my name. I own this city. I keep strict control of all my relationships. I always have the upper hand in business and pleasure. So when a sweet little thing defies me, it p\*\*\*\*s me off. It makes me want to dominate her and bend her to my will. I want to turn that angry fire in her green eyes into sweet submission. I make her an offer. She spends thirty days with me, and I solve her money problems. No mess, no drama, no questions. Just my money for her innocence. But she's more than I bargained for. I have a new addiction, and her name is Daisy. My little flower. I'm never letting her go now, contracts be damned. Great little twist on the courting of a virgin and a sense that Nikki Chase is going to do very well in this genre. Grady Harp, August 17

The storyline wasn't bad and I found the sex a bit too much for me personally. Don't get me wrong I like it spicy but the dirty talk was a bit too much when it's derogatory I just don't care for calling a woman a dirty slut while being intimate and her liking it??? Not my cup of tea but the suspense and drama is the reason behind the 4 stars as I said the story wasn't bad at all.

I had mixed feelings about Caine and how he treated Daisy. He was sometimes almost cruel to her but he fell hard for her. I changed my thoughts after reading how he saved her and how much he loved her. Daisy was so sweet and innocent until she met Caine. I really enjoyed this story. It was pretty sexy in places. I couldn't put it down once I started it.

I have to admit this book was better than I thought, this was the first time I read a book by this author and it was really good. Daisy who is 21 and still a virgin takes care of her 12 year old brother since her mother is irresponsible. Caine is an arrogant rich kid who wants to buy her for 30 because everyone has their price according to Caine

Wow! This story is something else! I love that this is a story of two independent people who struggle with who they are and what they want out of life. It's not just "love at first sight". It shows the different layers as the people fall in love, even the misunderstandings and forgiveness. I enjoyed this story immensely.

Daisy has some serious money trouble; and because of her debt, she agrees to spend thirty days with Caine as his pet. Caine sexes them and leaves every since his heart was broken by his fiancée. You need to read what Daisy, his little virgin flower, does to his sterile life.

I found myself liking the story very much. Daisy was very engaging and had an underlying strength. Caine was a arrogant closed off man. Daisy hit him out of nowhere and started to change who he was. Very dramatic ending with the bad guys.

I like this story because it showed how a young women work hard to change her life for the better. She did make some mistakes along the way but she had a brother to protect and her own life to live
