Cairns & Great Barrier Reef Travel Guide: Sightseeing, Hotel, Restaurant & Shopping Highlights

Synopsis

Australia's Great Barrier Reef is one of the seven natural wonders of the world and is often showcased in magazines like National Geographic and Travel and Leisure. One of the world's best and most accessible coral reefs, the Great Barrier Reef is also the only natural structure on earth that is visible from outer space. Located off the coast of Queensland, it has 2,900 individual coral reefs and over 900 islands covering 2,600 sq. km, making it the planet's largest UNESCO World Heritage site. Cairns is located close to the Great Barrier Reef and the Daintree Rainforest. It is the gateway to the region and attracts snorkelers, scuba divers, cruise ship visitors, and fishing enthusiasts.

Customer Reviews

Pamela Harris is an award-winning photographer and writer known primarily for her documentary work. Her photos have been exhibited, collected and published for over 35 years. Hot Cold Shy Bold is her first children's book. Other books include Faces of Feminism (covering women across Canada) and Another Way of Being (concerning an Inuit community). She lives in Toronto, Ontario.

Book handy, good information to better help visiting Cairns and the Great Barrier

Excellent intro to the Great Barrier Reef - not much on Cairns. Beautiful underwater photography and good commentary. Had me on the plane

I was looking for more information on diving & snorkeling, including overnight boat trips, which was not included in this book.

Very small book with not much information.
