Nephrology Secrets, 4e

Synopsis

For more than 30 years, the highly regarded Secrets Series[®] has provided students and practitioners in all areas of health care with concise, focused, and engaging resources for quick reference and exam review. Nephrology Secrets, 4th Edition, features the Secrets[®] popular question-and-answer format that also includes lists, tables, and an easy-to-read style - making reference and review quick, easy, and enjoyable. The proven Secrets[®] format gives you the most return for your time - concise, easy to read, engaging, and highly effective. Covers the full range of essential topics in nephrology for in-training or practicing professionals. Written and fully updated by global experts and thought leaders in nephrology. Top 100 Secrets and Key Points boxes provide a fast overview of the secrets you must know for success in practice and on exams. Portable size makes it easy to carry with you for quick reference or review anywhere, anytime. New chapters on home dialysis, onco-nephrology, and palliative care nephrology. Fully updated throughout, with clear illustrations, figures, and flow diagrams that expedite study and review. Expert Consult[®] eBook version included with purchase. This enhanced eBook experience allows you to search all of the text, figures, Q&As, and references from the book on a variety of devices.
