Savage Of The Sea (Pirates Of Britannia: Lords Of The Sea Book 1)

Synopsis

First book in the new Pirates of Britannia: Lords of the Sea series! A daring brotherhood, where honor among thieves reigns supreme, and crushing their enemies is a thrilling pastime. These are the Pirates of Britannia. When Highland pirate prince, Shaw "Savage" MacDougall was invited to a deadly feast, he didn't know that saving a wee lass would forever change his future. Lady Jane Lindsey, widowed at a young age, seeks refuge from her departed husband's vengeful enemies. For five years, she's held a secret that could cost her everything, including her life. When her safety is compromised, she reaches out to the only man who's protected her in the past, and offers him a bounty he cannot refuse. Shaw's life is perfect. Whisky, women and mayhem. He wants for nothing until Lady Jane presents a treasure he'd never considered possessing. Is he willing to risk his lethal reputation in order to save a lass he barely knows, again? Will she trust a pirate to see their arrangement through to the end? And what happens when perilous battles turn to sinful kisses? Who will save them from each other?
