Customer Reviews

The author lost me on page 18, where she misquotes scripture to say the lord said they were to bring a lamb or goat for Passover. I've read where that was acceptable for other sacrifices at other times--but never on Passover. This should definitely offend those that believe the Messiah is the Passover (Pesach) lamb--not the Passover goat. Not a favorite author of mine anyway, so my fault for taking a chance and ordering another boring book that tries to compensate with sensuality here and there.

I really enjoyed this book, mostly because Caleb is not a biblical character most writers bring to life, though he is one widely known. Rivers did a good job of giving Caleb personality, but sometimes he seemed too stubborn in faith. Although that's supposed to be a good thing, it sometimes seemed unrealistic. He was portrayed as the perfect believer, though he was belligerent at times. Also, I like the way Rivers portrayed Caleb as a support to Joshua, a man of experience who encouraged

Joshua in his God-given role. Time transitions were almost non-existent, as Rivers jumped many scenes ahead in just one line. If I had not been familiar with this story, I would have been confused. The ending was powerful. Overall, I recommend this book.

Great price and experience - highly recommend this seller.

This author always inspires me to read the Bible more. Here stories are life changing and great. I love reading her books.

I appreciate the authors ability to focus attention on the many aspects of Calebs sensitivity to GOD .

This book will give you an idea of what ISIS is like. This is a very well written book and follows the bible which makes the bible come alive. Maybe one of my favorites of her books. They're all my favorites though.

It was a wonderful book to read and understand and true to the bible!

I read this about 15 years ago and it was my favorite of the series. Reread it prior to giving it to my 16 year old nephew. True to scripture, and makes a great story.
