DHO Health Science Updated

Synopsis

The highly respected DIVERSIFIED HEALTH OCCUPATIONS is now DHO HEALTH SCIENCE UPDATED. The Eighth Edition of this trusted text continues to provide an all-in-one resource for introductory coursework in the health science curriculum. Organized in two parts, the text opens with foundational information required to enter a broad range of health professions, including infection control, first aid, legal requirements, and professionalism. The second part covers fundamental entry-level skills for a range of specific careers, including medical assisting, dental assisting, and more. Carefully revised, the updated Eighth Edition includes information on the Patient Protection and Affordable Care Act, new nutritional guidelines from the U.S. Department of Agriculture, updates that correlate with the enhanced Enhanced National Healthcare Foundation Standards, and more to prepare you for success in today's high-demand health science careers.

Customer Reviews

"The DHO book has been the backbone of my program for 12 years and I refer to it all the time. It is a great resource for preparing students for competitions and to help them prepare for a job interview. The DHO-Health Science textbook is my go-to resource for everything I teach in Health Science classes." "DHO Health Science is an all-inclusive textbook for Health Science instructors. The information it provides will prepare students for a successful future in health care."

Louise Simmers received a bachelor of science degree in nursing from the University of Maryland

and a master's degree in education from Kent State University. She has worked as a public health nurse, a medical-surgical nurse, a coronary care nurse, and an instructor of practical nursing and diversified health occupations. Louise has received the Vocational Educator of the Year award and the Diversified Health Occupations Instructor of the Year Award for the state of Ohio. Karen Simmers-Nartker graduated from Kent State University with a bachelor of science degree in nursing. She has been employed as a nurse in telemetry step-down and in medical, surgical, and neurological intensive care. She is currently employed as a shift coordinator in an open-heart intensive care unit. She has obtained certification from the Emergency Nurses Association for the Trauma Nursing Core Course (TNCC) and from the American Heart Association for Advanced Cardiac Life Support (ACLS). In her current position as charge nurse in an ICU, she coordinates patient care and staff assignments; manages interpersonal conflicts among staff and/or patients and family members; is responsible for ensuring quality care to meet the diverse needs of patients and/or family; actively participates in in-services to evaluate new equipment, medications, hospital services and supplies; and teaches and mentors newly employed nurses. Sharon Simmers-Kobelak graduated from Miami University (Ohio) with a bachelor of business administration degree. She is currently employed in the educational publishing industry as an integrated solutions specialist. In this position, she assists instructors at private career schools in finding appropriate print and digital materials for classroom instruction. Sharon also provides in-service training for instructors on using digital assets and instructor and student resources. She achieved President's Club status for two years, number-one representative status for one year, and has repeatedly achieved quota in her 20 years in the educational publishing industry.
