Bang

Synopsis

"Fans of 13 Reasons Why will find a lot to like in Lyga's latest." --Entertainment Weekly This is Where it Ends, Hate List, and Forgive Me, Leonard Peacock readers will appreciate this heartbreakingly novel about living with your worst mistake, from New York Times bestselling author Barry Lyga. A chunk of old memory, adrift in a pool of blood. Sebastian Cody did something horrible, something no one--not even Sebastian himself--can forgive. At the age of four, he accidentally shot and killed his infant sister with his father's gun. Now, ten years later, Sebastian has lived with the guilt and horror for his entire life. With his best friend away for the summer, Sebastian has only a new friend, Aneesa, to distract him from his darkest thoughts. But even this relationship cannot blunt the pain of his past. Because Sebastian knows exactly how to rectify his childhood crime and sanctify his past. It took a gun to get him into this. Now he needs a gun to get out. Unflinching and honest, Bang is the story of one boy and one moment in time that cannot be reclaimed, as true and as relevant as tomorrow's headlines.

Customer Reviews

Praise for Bang: "Affecting, and unfortunately timely, Bang is a read that's worth your inevitable heartbreak." — Entertainment Weekly "Lyga captures the heartbreak of Sebastian's situation with sensitivity and compassion, exploring how a life can be unfairly defined by just one action, how it's tragically easy to ignore humanity in favor of a headline, and just what communication, love and sharing the truth can do, especially when it comes to forgiving oneself." — The New York Times
