Pearson's Comprehensive Medical Assisting

Synopsis

This is the eBook of the printed book and may not include any media, website access codes, or print supplements that may come packaged with the bound book. Pearson's *Comprehensive Medical Assisting, Third Edition*, provides students with the right procedural, people, and professional skills needed to succeed in the medical assisting profession. **Teaching and Learning Experience** Offers a step-by-step, competency-based approach that covers virtually all facets of the medical assisting profession:

- **Procedural Skills** – Speaks directly to the medical assisting student, presenting all the procedures and tasks that are relevant to the medical assistant role.
- **People Skills** – Covers people and communication skills that are essential to being a successful medical assistant.
- **Professional Skills** – Instills concepts and critical thinking skills needed to succeed as a medical assistant professional.

Customer Reviews

My school provides us the e-book for this textbook. Since I'll be using it throughout my entire MA program, I decided to order the hard copy. Fast deliver, great condition for a used book. I have had

no problem comprehending the text. It is sorted out nicely, and addresses all the areas that will be on the national certification exam. I would love it were spiral-bound because it is THICK, but I think it is a great textbook for students who are wanting to become CMAs.

Better than imagined I would buy from this seller again. My daughter is enrolled in a nursing assisting program and compared this to the tablet addition and said this is by far superior to use.

This book helped me pass my medical assistant exam..

Love the hardcover book. Much easier to use instead of the kindle. Very interesting material and helpful basic knowledge that can benefit everyone(even if you are not in school).

An outstanding work for introduction to ma classes. This is a well-organized book, with large print and excellent illustrations and photographs. Well worth the money.

Purchased this book for class. Was in great condition when received and had a great price!! Was mailed promptly and it was speedy! The information in it is great and to the point! Gives you very good information about all that medical assisting entails and a tid-bit more! Great source!

Great and timely service. Package arrived just as it was described!

Quick delivery. Description was honest and true. Great purchase!!
