Terry Collins always knew he wanted to be a writer when he grew up. A former award-winning newspaper reporter and columnist, he now writes poetry, fiction, nonfiction, and graphic novels for readers of all ages. He also teaches literature and creative writing, helping to inspire other lovers of the written word. Terry lives in his hometown in North Carolina with his wife, Ginny, and their devoted dog, Bosley. A lifelong reader, he has a personal library that outgrew his house years ago. Despite his wife's gentle protests over a lack of space, he believes a person can never own too many books.

Great

Great book series. I am using them as a read aloud to supplement our home school story of the

world curriculum. The kids love making the choices and seeing their fate. I love that it has pictures within the text. I plan to buy the next era of books next year.

Great!

Great you choose book.
