Customer Reviews

By adding the Guides and Prayer section, AAron has opened up a new line of power communicating through the power of the Holy Spirit. When one has been totally addicted to alcohol it is an extremely difficult addiction to break, First one has to realize that there is a problem. Once identified, you can begin using the guides here and the special prayer section. This is a powerful book.

We work with a lot of AA people, as well as others hooked on drugs, to help them overcome their afflictions, so naturally we want to use this incredible reference along with the Bible on which it is largely based.

Clear print. Easy read, not too easy to practice the art of the 12 steps, but a good guide to sobriety. Be a friend of Bill.

Love the book. The narration is a bit different than I expected, it took getting used to because it's a bit choppy. but I'm very grateful to have it!!

I knew nothing about AA before reading this book for a Graduate class. It is informative and helps you walk through addiction with your clients.
