Salvage

Synopsis

In a post-apocalyptic America, Deaver Teague makes a living salvaging things left behind from before the war. When he hears some truck drivers talking about a hidden cache of gold in a Mormon temple in flooded Salt Lake City, he enlists some friends to look for it. This story is included in Orson Scott Card's collection *The Folk of the Fringe*.

Customer Reviews

Born in Richland, Washington, in 1951, Orson Scott Card grew up in California, Arizona, and Utah. He lived in Brazil for two years as an unpaid missionary for the Mormon Church and received degrees from Brigham Young University and the University of Utah. The author of numerous books in several genres, Card is best known for *Ender's Game* and his online magazine, *Orson Scott Card's InterGalactic Medicine Show* (www.osciGMS.com). He teaches writing and literature at Southern Virginia University and lives with his family in Greensboro, North Carolina.

Card's Mormonism comes out rather explicitly, in this story. Three friends--two rather devout Mormon's in a post-apocalypse where their religion has lost its heart--go on a mission to raid the Salt Lake City temple of the mountains of gold of which legends speak. It's somewhat amusing that the "strong language" of this story is so mild. It's a bit making fun of Mormon's. But that's the only thing in this story I found entertaining. It's just bland. Card is riding on his Mormonism, and when the religion itself isn't satisfying, the stories it inspires sure won't be.
