Customer Reviews

Got this for my roommate for Christmas. He loves pandas and was not disappointed with this. Lots of panda pics to choose from.

I gave this coloring book to my niece and she absolutely loves it! In fact, she posted her first colored Panda from the book on Facebook a couple of days ago. Terrific designs and quality paper. A little more expensive than some books, but some things are worth the price.

This is a great coloring book. I have used so many coloring books and this one definitely is one of the better ones. It has complete lines and great quality. I also like that each artwork that you color is on it's own page (not front and backside) so that markers do not bleed through onto other designs. Every design in it is really awesome. GREAT quality.

LOVE THIS!!! But then I LOVE PANDAS. This is a coloring book for adults. Lots of tiny little spaces. Pictures suitable to frame when complete if you want. I'm very happy with the pics in this book. :)

I love the panda coloring book. I did purchase it to give as a Christmas gift. Now, I want one for myself.

extremely cute!! I got this for my friend who is in love with pandas and it was the perfect gift

My daughter is obsessed with pandas. It is hard to find merchandise with pandas so I was very excited to find something not only panda but something she loves doing. My daughter and I are very happy with it. It has many beautiful pictures to color and great for all ages.

Got this for a deployed friend. She loves pandas and I was excited to find this! I loved all the panda bear patterns! I know she'll love it!
