Founded in 1947, Hal Leonard LLC has become the worlds largest print music publisher, representing some of the greatest songwriters and artists of all time. We are proud to publish titles of interest to all musicians as well as music lovers, from songbooks and instructional titles to artist biographies and instrument price guides to books about the music industry and all the performing arts.

Super.

Very disappointed, I thought I was buying a music book with a CD as the product is advertised "CD Edition with Book". It even shows a picture of a CD on the book. False advertising I think ?

I lost the original copy of the book but still had the cd. This one did state there was no disk but others include it. Just take care with orders.
