# Wings Of Fire Book Four: The Dark Secret

## Synopsis

The New York Times bestselling Wings of Fire saga soars to the mysterious land of the NightWings, where Starflight must face a terrible choice -- his tribe, or his friends? In the shadows, trouble is brewing. . . The mysterious NightWings keep everything hidden, from their home and their queen to their allegiance in the war. Now they've kidnapped their own dragonet of destiny, and Starflight is finally meeting the rest of his tribe -- whether he wants to or not. The NightWings have also kidnapped several innocent RainWings, now trapped in the dark, barren, miserable place that is the NightWing kingdom. Starflight wants to help the RainWings, but he's busy saving his own scales and trying to find a way back to his friends. The fate of two kingdoms rests in his talons, and with no one to save him, Starflight will have to find a way to be brave . . . before it's too late.

## Customer Reviews

Praise for Wings of Fire Book Two: "[A] perfect adventure for young fantasy fans to sink their teeth into." -- School Library Journal Praise for Wings of Fire Book One: "Dramatic battle scenes, double-crosses, and one seriously deranged queen makes WINGS OF FIRE a series that should have broad appeal for middle-grade fantasy fans." -- Booklist "Fast-paced and detailed, this first installment in a new adventure series is entertaining." -- Kirkus "Readers of all ages will be

encharmed by the humanistic storyline and the page-turning excitement." -- Library Media

Connection "A thrilling new series for dragon-lovers." -- Austin Family

Tui T. Sutherland is the author of several books for young readers, including the Menagerie trilogy, the Pet Trouble series, and three books in the bestselling Seekers series (as part of the Erin Hunter team). In 2009, she was a two-day champion on JEOPARDY! She lives in Massachusetts with her wonderful husband, two adorable sons, and one very patient dog. This is a good book, I read it fairly quickly, I LOVE LOVE LOVE the Wings of Fire series. Honestly, though, this is not my favorite of Sutherland's works. I found it a bit....not boring, but not exactly my favorite book. It DOES clear up a lot stuff, and I REALLY love the 'poetic justice', as Sutherland puts it, of (SPOILER ALERT SPOILER ALERT) the "all powerful" NightWings bowing to the "useless" RainWings. That just goes to show that just cause you're a bit lazy and un-involved in certain things does not mean that you are weak. My favorite part is probably when the RainWings invade. Like, DUDE, that was awesome. I really admire Tui T. Sutherland for creating such an amazing series. It is well written, fun to read, and overall just awesome. This isn't my favorite of the series, yeah, but I still highly recommend it, especially if you want to continue the Wings of Fire series. Believe me, it only gets better from here! By B.K.

This is an intriguing series for young readers. It's creative, cohesive and very unique. I bought this set of books as a gift (I found the price was better buying each individually rather than as a set). The reader was so delighted that I even pre-ordered the newest book. There's a cliffhanger here...can Sunny, the smallest, defenceless dragonet have hope for a rescue? Can the two tribes get along together so they may both flourish? And what about Starflight? He is so injured! Could the Prophesy be fake, like Morrowseer says? I am so excited to find the answers, I'm onto the next book in the series!!

This book is has more gore then the other books and it definitely got darker. I mean seriously THE LAVA QUEEN LUNGED AT GLORY AND DIED AT HER FEET. It would have received 5 stars but the two flaws I found in this book was that until the end it was similar situation every time there was

action. The book was also filled with too much romance. **SPOILERS SPOILERS**

bought for grandkids for xmas they love them

We pre-order these books each time they come out! My daughter loves them and reads them over and over. Her reading level has always been very advanced and this series offers a more challenging read, while keeping with a story-line that isn't too mature. Can't wait for the next one to be released!

Absolutely love these books. My 9 year old son kept talking about them so I started reading them too. We both enjoy them.

This book was excellent. The only problem I had with it was that the other friends did not show up for most of the book, only the end. Here you meet the fake dragonets of destiny, which all died I think except Fatespeaker the NightWing and Flame the SkyWing. Starflight's father also appears in this book. I loved the way all the night wing secrets were exposed to the reader in this book. One thing that I was wondering about was the guide in the front- why didn't they update it to say Queen Glory of the RainWings instead of Queen Dazzling( who is not queen anymore), and there was a new SkyWing queen, so why not say that? Great book, and will continue to read the series.
