Customer Reviews

This is likely to be a cornerstone of the scholarly literature on the United Nations. An essential volume. (David Cortright, University of Notre Dame) A very welcome addition to the literature on the UN Security Council. It is of particular value given the excellent quality of the contributors and the fact that they include both academics and practitioners. (Courtney B. Smith, Seaton Hall University) Indispensable for students and scholars interested in just about any aspect of the UNSC. (Choice)

Sebastian von Einsiedel is director of the UN University (UNU) Center for Policy Research. David M. Malone is under-secretary-general of the United Nations and also rector of the UNU. Bruno Stagno Ugarte, most recently executive director of the Security Council Report, now serves as deputy executive director for advocacy at Human Rights Watch.
