Customer Reviews

What a terrific tour of Mexico! With its cultures, languages, foods, and even ancient civilizations, etc. I recommend this to anyone young or old that would also like to take an arm chair or couch tour of Mexico. Because I Found this so wonderful I feel like it needs five stars. I received this ebook for free and in return here is my honest review. Terrific work Liam! By Angela

Oddly enough this book is exactly the same as Jaw Dropping Geography: Mexico...word for word.

It's poorly written and full of typos, misspelled words and grammar mistakes. Save your three dollars and purchase something else.
