The Complete Ave Maria: Voice, Piano And Organ (Vocal Collection)

Synopsis

(Vocal Collection). A must for any accompanist, this book contains the celebrated Schubert Ave Maria as well as the Bach/Gounod Ave Maria . After a history of both versions, each is presented in three keys with a choice of piano or organ accompaniment. Solo piano and solo organ versions are also included. Sixteen versions of the classic in all.

Customer Reviews

I should have bought this years ago. I play piano and organ for weddings and this book is all inclusive, with low voice, medium voice, and high voice settings for both piano and organ. It should be a staple in accompanists wedding music collections.

This is just what I needed. Being an accompanist, I ALWAYS need different keys for the Ave Maria when I accompany soloists. Instead of having to painstakingly transpose or try to find the music in the right key, I now have just what I need. My opera friend will be so happy!

I didn't really need all these different arrangements but I found my favorite arrangement in this book and the others are great for practice.

Bought it for the Catholic Church I sing at, very useful. Should be bound so that it is more friendly for accompanists/organists.

An absolute must for any church musician. Every version and key included. Highly Recommended

If you enjoy singing the Ave Marias, this is the book for you. It has beautiful arrangements for piano and organ.

As a professional church soloist, it was exactly what I needed. Didn't even know such a collection existed until I went searching for the B-G in a specific key.

Every version a singer or accompanist could need.
