Starving Into Remission: Alzheimer's, Parkinson's And Multiple Sclerosis, Nutritional Integrative Therapies

Synopsis

Alzheimer's, Parkinson's, and Ms can be brought into permanent remission on a Living Foods nutritional therapy approach. As a nutritional lifestyle these diseases can be stopped and kept at a distance once they are put into remission through this Live-food nutrition therapy. This book presents real people, some cured and some not, it is about clinical experience, journal studies, testimonials and advanced nutritional understandings. This work is about five years of research. It involves a major lifestyle change moving into a Live-Food or raw vegan diet, and doing juice fasting, smoothies, and juicing. Having a positive spiritual approach and exercise routine is also helpful. The case studies and testimonials are part of the evidence that these neuro-degenerative diseases can be put into complete remission.
