Customer Reviews

This masters degree may be the death of me.

Excellent text loaded with excellent references that can be applied in the classroom and corporate office.

Will be a go-to reference book in my professional library.

This book is exactly what I expected It came in great shape and with all of the pages. A great resource for an EHS professional.

I consider that this book is more expensive than its real price and the condition of this book is not good.

class is done

just fine. I don't get excited about knives BUT this product is WONDERFUL! as soon as you pick it up....you KNOW this is a sturdy professional product! there is NO OTHER product in any department store like this one.....ITS WELL WORTH THE PRICE!!! 5 stars! my company need it , good . very nice .

Way too expensive, as all college textbooks are, but it does have a lot of good information. Excellent future resource for referencing legal issues.
