Adult Piano Adventures - Classics, Book 1: Symphony Themes, Opera Gems And Classical Favorites

Synopsis

(Faber Piano Adventures). Adult Piano Adventures Classics Book 1 celebrates great masterworks of Western music, including symphony themes, opera gems, and classical favorites. The melodies of Bach, Beethoven, Brahms, and other master composers are arranged at just the right level for adult beginners and for those who are returning to the keyboard. Section 1 features piano arrangements with minimal hand position changes, and many selections include an optional duet part. Section 2 introduces the I, IV, and V7 chords in the key of C major, harmonizing themes such as Sibelius's Finlandia, Schubert's The Trout, and Mendelssohn's Spring Song. Section 3 presents the primary chords in the key of G major, with arrangements of Vivaldi's Autumn (from The Four Seasons), Mozart's theme from The Magic Flute, Liszt's Liebestraum, and more. Nice collection

i highly recommend & own NancyFaber's Adult piano books: 2 Adventure, 2 classical, 2 popular &

Christmas classics. All vignette pieces are doable yet challenging for me, 67-years young retired great-grandma, classes 2 semesters. i love the joy of playing & of figuring out the music piece on my own. i love to fireup my Yamaha Clavinova and terrorize the neighbors with the Entertainer, Swan Lake, O mio babbino caro, Moonlight sonata, etc....i suggest the author include Fur Elise in future editions.

This book is a great for augmenting the Faber line of piano books. I think I enjoy it as much as my students. I use it with my younger students who are towards the end of the Faber pink book, starting the blue book or beyond, and for adult students who have taken lessons for a few months.

This series of books is excellent. It takes you patiently but firmly through learning piano as an adult. I couldn't be more pleased.

Good beginning classical simplified piano. Could be used as enrichment music for beginning students of various ages.
