Bunny Slopes

Synopsis

Time to tackle the bunny slope! Shake to help Bunny make it snow, tilt to help Bunny ski down the slope, and turn to help Bunny escape a cliff in his path. Is there any obstacle Bunny can't conquer? Bringing grins and guffaws with each turn of the page, readers will find Claudia Rueda's innovative bookmaking as entertaining as the twists and turns of a ski slope—and as satisfying as a cozy cup of hot cocoa.

Customer Reviews

PreS-Gr 1 • Cute cartoon Bunny is ready to hit the bunny slopes. Skis on and red scarf knotted, Bunny needs help from his readers to complete his adventure. Large, conversational text greets readers and asks them to join in the fun. First, they are asked to "shake" the book to produce snow and then "tap tap tap" the book to pack it down, followed by "tilt," "turn," "jump," and so forth. The action words are in red, matching Bunny's jaunty red scarf on the opposite pages. Eventually, Bunny skis into a hole (an actual die-cut hole through three pages of the book) and falls. His mom then greets Bunny with a warm bowl of food and takes him to their den to rest. Only two colors, light blue and bright red, are used, with charcoal lines against a white backdrop. The premise is simple, skiing down a slope, but it is the interaction between the book and readers that makes for a special

experience. If the title is read with a small audience, each action could be played out for interactive fun. VERDICT Rueda scores another win with this adorable offering that's perfect for one-on-one and small group sharing. —Mindy Hiatt, Salt Lake County Library Services

Claudia Rueda is the award-winning, New York Times bestselling author and/or illustrator of more than 30 books for children, available in more than 10 languages. She lives in Bogotá, Colombia, where she curls up under a red blanket to drink hot cocoa at the end of a long day illustrating energetic bunnies.

Cute, but short, story. Not quite what I expected after reading book reviews in our local newspaper, and it's a bit "young", but our almost 4 year old gets a giggle out of Gramma overacting the lines and his baby sister will grow into it. Best for 2 or 3 year olds.

This is a GREAT book. My children love interacting with it and it makes them crack up every time.

Excellent, as expected

So cute. A fun story about a skiing bunny. My son loves it. The bunny asks for help and the reader is supposed to shake and tilt the book. Very sweet.

Book was just as advertised

Very clever & entertaining book - my 4 1/2 yr old grandson loved it, especially the pages with the holes!

Cute book for my 3 year old grandson who is just learning to ski

Beautiful, unusual book. She will love to interact with it.
