This book gives insight to all of the questions I had about my three cats. I learned about different breeds of cats and am still reading this book. I thought I knew a lot about cats, but found out I had a ways to go!

This is a wonderful book--full of great advice, ideas, history of cats, treatment and handling of felines--and wonderful photos--full color! Excellent book just for looking at great felines! I loved it!

This is a really nice book, very informative and with beautiful photos of cats of all types. Wonderful gift for your favorite cat lover.
